

## **Executive Pay Report**

It is required that the Trust publish on its website, in a readily accessible form, the number of employees whose benefits exceed £100,000 in £10,000 bandings, as per its financial statements and including prior year comparative figures.

In the case of employees who are trustees, their benefits will also be disclosed in £5,000 bandings in the Trust's financial statements, as set out in the model trustees' remuneration note in the Academies Accounts Direction.

Benefits for this purpose include salary, other taxable benefits and termination payments, but not the Trust's own pension costs.

This information can be found in our annual accounts.
