Drop-off at All Saints' Academy

Dear Parent/Carers,

I am writing to provide further guidance on the morning drop off for students at the Academy. This should give more clarity on how this operates.

All students enter the Academy at the Blaisdon Way Entrance. Therefore, there is a larger number of students walking along the Academy pathways.

For safety, we request that parents and carers drop students at the designated drop off point (yellow box on map overleaf) and exit following the car park to leave (yellow arrows on the map).

Students that have a disability or have a significant injury that is affecting mobility, may use the disabled parking drop off area (red box on the map).

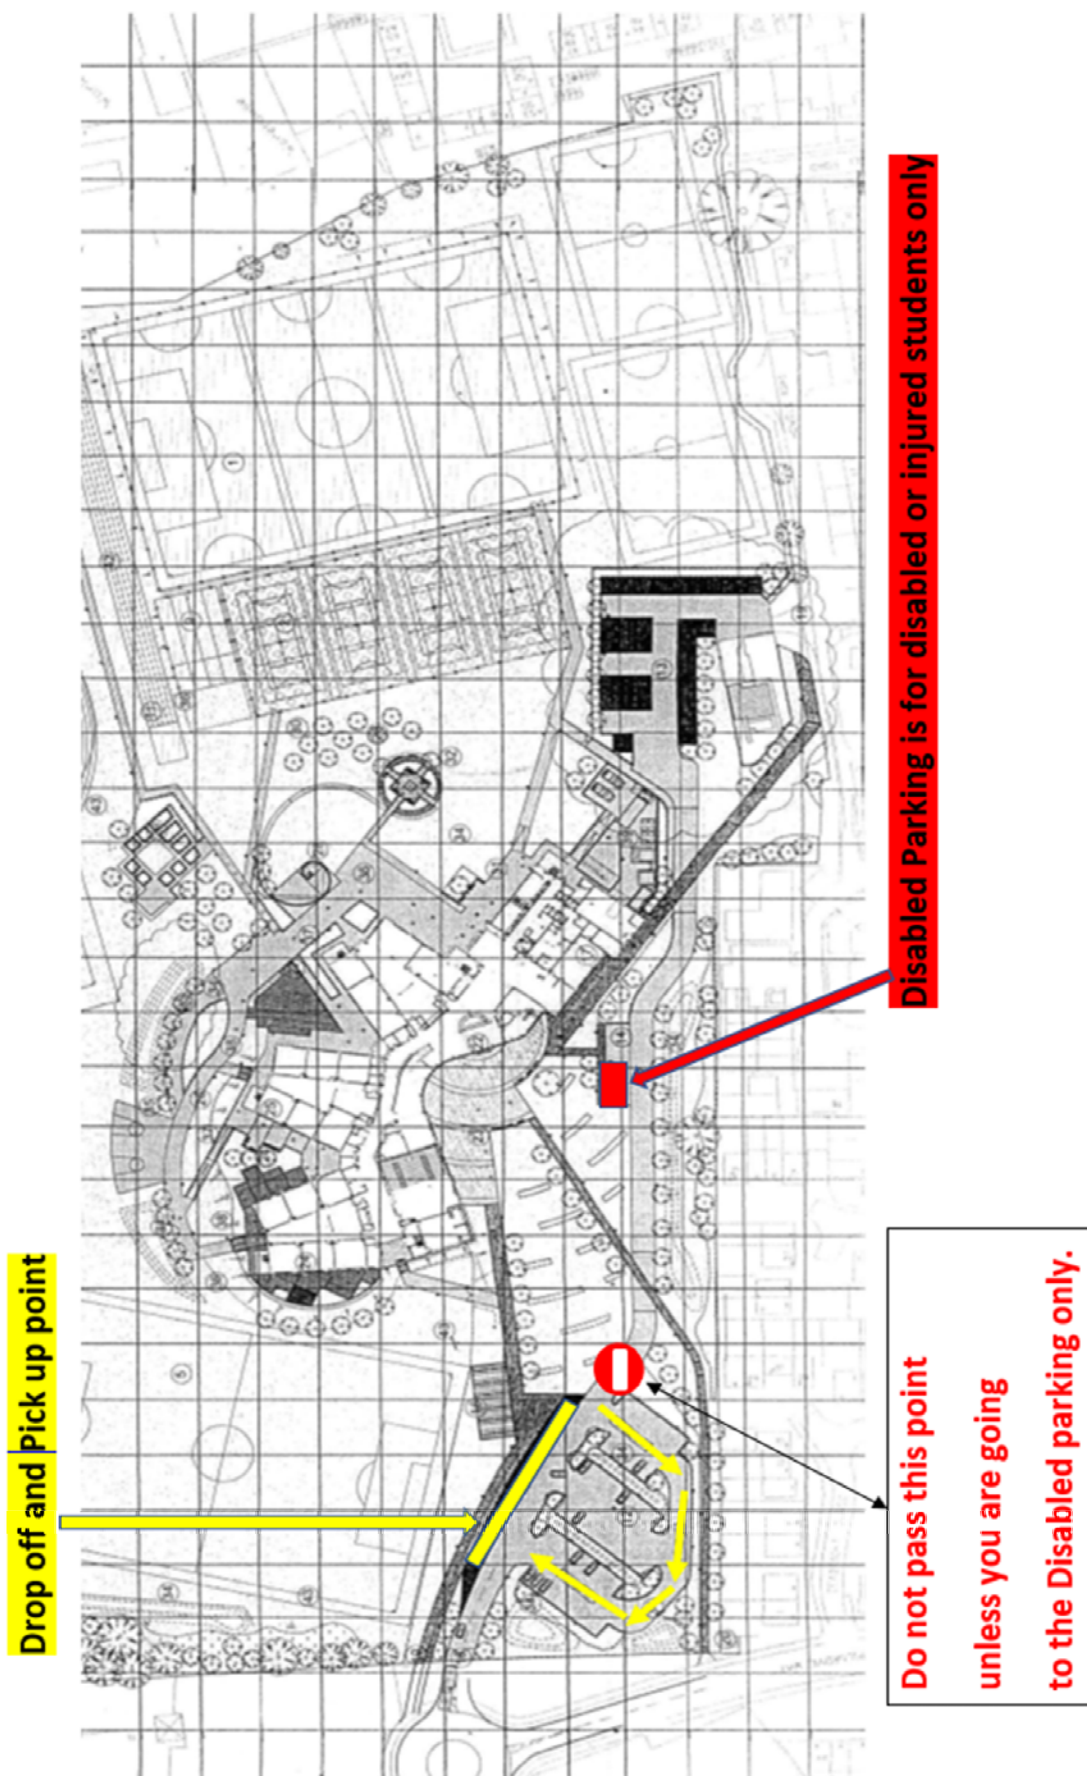

This system is to limit the amount of traffic crossing the student pathway in our Academy grounds when students are arriving on site in the morning.

I attach a map to help identify the main drop off point and disabled parking area. Students in all year groups, are to use the main drop off point.

Thank you for your support with these arrangements.

Yours sincerely

Mr D McNiffe
Principal
