1. Sponsors' Statement

1.1 The Policies of All Saints' Academy, with its distinctive Anglican and Catholic foundation, exist to support the Sponsor's vision, Christian ethos and values that are embedded in the day-to-day and long-term running of the Academy. Each policy evidences the commitment of the Sponsor to developing Body, Mind and Spirit.

2. Introduction

2.1 At All Saints' Academy our uniform exemplifies our high expectations. It is an important part of being in our Academy and a member of our community because:

- Uniform creates a sense of professionalism and a clear sense of standards.
- Uniform creates a sense of pride, identity and belonging both in Academy and during the journey to and from school.
- Uniform removes the points of difference between students, helping to equalise social status and promote equality and inclusivity.
- Uniform creates a 'working environment' mindset and helps to separate home and Academy life.
- Uniform helps to promote wellbeing, improve self-confidence and reduce bullying.

2.2 The Academy's Uniform Policy applies equally to all pupils, irrespective of their gender, race, religion, belief, special educational needs or disability subject to health and safety and welfare considerations. The Academy will consider reasonable requests to alter the school uniform, for example, to accommodate mandatory and genuine religious requirements (subject to health and safety) and reasonable adjustments for disabled pupils.

4. Sixth Form Dress Code

Sixth formers should wear smart “business wear” dress at all times and take pride in their appearance, recognising that they are dressing for a formal working environment and helping to set the tone for the rest of the academy.

Members of staff are not permitted to allow any exceptions to this rule.

Jewellery should be kept to a minimum, consistent with health and safety. Apart from pierced ears and one small piercing in the side of the nose, no other body piercing is allowed and no visible tattoos.

Practical subjects will make special arrangements for their lessons when necessary. Students will need to change for practical sessions.

Sixth Form students should adhere to the dress code and may be sent home to change if deemed unsuitable.

Dress Code - Compulsory
Blazer or V-neck jumper/cardigan
Tailored business skirt, dress (worn on or just above the knee) or smart suit style trousers (no tight, skinny fit or elasticated skirts or trousers).
Tailored shirt or blouse tucked in. (No t-shirts, see-through fabric, emblems or baggy types)
Formal black, brown, grey or navy shoes or smart boots permitted (polishable leather or patent leather uppers or suede). No canvas, trainers or casual type, ‘Ugg’ or Wellington styles. No urban/hiking style boots.

We are conscious of the need to ensure that any form of dress within the school is cost-effective and practical and can be purchased in High Street shops. We have researched this and can provide information upon request.
