Principal's Welcome

For several years now, All Saints' Academy has been one of the best performing non-selective secondary schools in Cheltenham for GCSE examinations.

Our recent statutory SIAMS inspection report states that, "All Saints' Academy welcomes all students and provides for them holistically, leading them to experience, as the academy's vision states, 'life in all its fullness'."

I am delighted that the Academy is recognised for providing a high-quality education and a high standard of care for all our families. Indeed, it is my personal aim and expectation that over the years your child attends All Saints' Academy, we will be recognised as an exceptional school providing an outstanding education for all our students from Years 7 to 13. I look forward to us working together to ensure your child enjoys their Academy life and that they have every opportunity to reach their full potential in our safe and secure learning environment.

If you have not had the opportunity to look around the Academy, I would be delighted to welcome you for a tour. Please contact Mrs Newstead on NNewstead@ASACHelt.org

My team and I look forward to seeing you in the coming months to prepare for the start of the new academic year.

My best wishes to you on behalf of all the staff and students at All Saints' Academy.

Our Vision and Values

Where every member of our extended family realises their God-given potential, inspired by John 10:10.

Jesus said, 'I have come so you may have life in all its fullness'.

All Saints' Academy actively promotes Christian values in all our activities. We concentrate on the values of Respect, Love, Service, Reconciliation, Justice and Peace, which we want to see grow and develop in the lives of all our students. We start the Academy day every morning by saying our Academy prayer together in tutor groups during Meet, Greet and Pray.

Our Academy prayer is said together every morning during Meet, Greet and Pray in Tutor Groups.

Dear Lord,
Teach us how to **respect** others,
And to **love** and **serve** one another
in all that we do and say.

And when we get it wrong, give us
the strength to get it right and be
reconciled.

Lead us to **justice** through your
words of wisdom and guide us to
everlasting **peace**.

Amen

Wellbeing

In these times of unprecedented change, the health, wellbeing and safety of our students is paramount, and we are proud of the caring and supportive environment that All Saints' Academy provides.

We take a whole Academy approach to promoting positive mental health, which aims to help students become more resilient, happy and successful by preventing problems before they arise and offering support where it is needed. As part of our commitment, we work closely with external professionals and are a named Young Minds Matter school.

Our pastoral care system is specifically designed to address every individual child's wellbeing through dedicated Progress Leaders, Welfare Managers and Inclusion Leaders, who are responsible for supporting the welfare of the children at All Saints' Academy, as well as managing students' attendance and overall behaviour. Students are also assigned to a Form Tutor who they meet with twice a day, who are a point of contact for both students and parents/carers alike.

In addition to this, All Saints' Academy is a Church Academy. It has a Chaplaincy team from both the Catholic and Anglican traditions to support our students. As well as arranging opportunities for prayer, worship and a range of spiritual events, the Chaplaincy team are available to all students in a caring and supportive way.

Understanding room numbers

The first letter tells you which wing the classroom is in. B = Bredon, M = Malvern, C = Cleeve

The next letter/number tells you the floor. G = Ground, 1 = first, 2 = second

The final two numbers tell you which classroom, from 01 to 07.
