A MESSAGE FROM THE PRINCIPAL

For several years now, All Saints' Academy has been one of the best performing non-selective secondary schools in Cheltenham for GCSE examinations.

Our recent statutory SIAMS inspection report states that, "All Saints' Academy welcomes all students and provides for them holistically, leading them to experience, as the academy's vision states, 'life in all its fullness'."

I am delighted that the Academy is recognised for providing a high-quality education and a high standard of care for all our families. Indeed, it is my personal aim and expectation that over the years your child attends All Saints' Academy, we will be recognised as an exceptional school providing an outstanding education for all our students from Years 7 to 13. I look forward to us working together to ensure your child enjoys their Academy life and that they have every opportunity to reach their full potential in our safe and secure learning environment.

If you have not had the opportunity to look around the Academy, I would be delighted to welcome you for a tour. Please contact Mrs Newstead on NNewstead@ASAChelt.org

My team and I look forward to seeing you in the coming months to prepare for the start of the new academic year.

My best wishes to you on behalf of all the staff and students at All Saints' Academy.

OUR MISSION

At the heart of All Saints' Academy is the belief that Christ is at the centre of all we do and are. Rooted in His teaching, we seek to fulfil in every member of our community their full potential, so they are able to 'have LIFE in all its fullness' and recognise that they are called to use their gifts and talents for the benefit of all.

We seek to do this by:

• providing a safe and secure environment where faith, prayer, compassion and reconciliation are visible in word and in action.

• providing an excellent education with a broad, balanced and creative curriculum which will allow everyone to discover their potential and to develop and share their unique talents.

• providing opportunities for all to be nourished and challenged both academically and spiritually in their respective beliefs.

• respecting and valuing the diversity of all, believing that everyone is created as a unique individual in the image of God.

• building a resilient community able to reach out and support others, both locally and globally.

• modelling through the Academy's policies, practices and values a concern to serve the common good, a heart for justice, a desire for reconciliation and the need to protect and sustain the environment.

What our students say about us:

"I have enjoyed meeting new friends and all the new and challenging subjects. I really like Science because the experiments are fun ."

Welcome from the Transition Team

We are really looking forward to meeting you all in person. Alongside our team of tutors, we will not only lead your academic progress but will also support your pastoral care to ensure that you grow as an independent and well-rounded learner.
