

Dear Parent/Carer,

On Tuesday the 14<sup>th</sup> of February we are hosting a Careers and Higher Education Festival at All Saints' Academy.

We have further education, higher education, apprenticeship and business providers attending, including; Deloitte, NHS, Spirax Sarco, CGI, Gloucestershire College and Cardiff University. We will also have professionals attending from employment hubs. Please find attached further details on the providers attending.

From 3:10pm – 4pm we would like to invite our Year 7 and Year 8 students to explore the Festival, as well as inviting any parent/carers who would like to join their child for any discussions.

This is an excellent opportunity for your child to start thinking about their future.

If you have any questions, please contact me via email at [NNewstead@ASAchelt.org](mailto:NNewstead@ASAchelt.org)

Your sincerely,

Mrs N Newstead

Head of Careers
