Dear Parents and Carers,

As we progress through this academic year, given the challenges we face with the current cost of living, I have been reviewing the financial impact families may face to support their child's education. Hence, I am proposing two things that will hopefully go some way to help.

The upkeep of uniform costs can be a challenge over the year so I have attached some alternatives that can be sourced from local stores such as, Sainsbury's, Tesco etc. These items are a cheaper alternative to the branded uniform and a suitable replacement for the remainder of this Academic year. May I ask that you purchase the items listed in the attached document to be in line with our uniform code, thank you.

The cost of food has significantly increased, and it is becoming more costly to provide a hot meal over these winter months. Therefore, I have decided to provide students with a free afternoon dinner at the end of the school day from 3:30pm-4:30pm. This will mean that students on free school meals may access a hot dinner before going home and therefore hopefully saving on family costs. This provision will be funded by the additional income we receive from letting out our Academy facilities. This provision will be on parental request via emailing admin@asachelt.org.

Depending on the level of interest from families, I will notify you of the availability in the week beginning 3rd January 2023.

May I take this opportunity to wish you all a wonderful Christmas break.

Yours sincerely

Mr D McNiffe
Principal
