

10th February 2023

Dear Parent/Carer,

**RE: Year 11 and Year 13 Tutoring program – Building to the summer examinations**

To prepare students for the summer examinations, the Academy has organised an intensive program of tutoring over the next ten weeks leading up to the summer examinations. The program is specifically designed to ensure your son/daughter can achieve the highest possible grades in their GCSEs or A Levels.

The program will involve teachers delivering bespoke tutor sessions at the end of the Academy day, starting at 3:10pm until 4:10pm. These will provide students with the opportunity to improve their knowledge and skills, and result in them achieving the best grades possible for them to start the next step in their education. The program will commence in the week beginning the 13<sup>th</sup> February and will occur every week until the 15<sup>th</sup> May, at which point the summer examinations will start.

Your son/daughter has been selected to attend the following sessions:

Day	Subject

This Tutor plan has been designed specifically for your son/daughter, so they are expected to attend. These sessions have always made a significant improvement to student outcomes. As a further incentive to attend, full attendance to the sessions will grant them a free ticket to the Year 11 or Year 13 Summer Prom.

If you have any questions, please do not hesitate to contact me at [gsampson@asachelt.org](mailto:gsampson@asachelt.org)

Yours sincerely

Guy Sampson  
Vice Principal  
All Saints' Academy, Cheltenham
