A message from our Principal

I would like to extend my welcome to All Saints' Academy. All Saints' has been recognised as a place of high achievement and progress where all children are included.

This is an exciting time in young people's lives. Moving to secondary school with the range of opportunities that All Saints' offers is a moment to consider all that can be achieved in the years ahead.

Our vision is that our students achieve their God-given potential. I take that challenge seriously because of the tremendous potential in each of our new students.

In the years to come your children will learn volumes, achieve great exam outcomes, perform in shows, compete (and hopefully win) across many sports, lead other students, serve in the community and eventually develop into adults that will have a huge impact in every area of their lives.

Our success will be measured in the impact that your children have in the years beyond their time at All Saints', living as Jesus said, "Life in all of its fullness". I look forward to working alongside you to ensure the best outcomes for your children.

We look forward to welcoming you to the Academy in the coming months as we prepare for the start of the new year.

Mr Ben Williams, Principal

Our Vision and Values

Where every member of our extended family realises their God-given potential, inspired by John 10:10.

Jesus said, 'I have come so you may have life in all its fullness'.

All Saints' Academy actively promotes Christian values in all our activities. We concentrate on the values of Respect, Love, Service, Reconciliation, Justice and Peace, which we want to see grow and develop in the lives of all our students. We start the Academy day every morning by saying our Academy prayer together in tutor groups during Meet, Greet and Pray.

Our Academy prayer is said together every morning during Meet, Greet and Pray in Tutor Groups.

Dear Lord,
Teach us how to **respect** others,
And to **love** and **serve** one another
in all that we do and say.
And when we get it wrong, give us
the strength to get it right and be
reconciled.
Lead us to **justice** through your
words of wisdom and guide us to
everlasting **peace**.

Amen

What our students say about us:

“I’ve made a load of new friends and got to know the people I already knew a lot better.”

Ruby, Year 7 student

“Teachers make us feel welcome, safe, and protected. They make lessons fun and adapt them so we can all learn.”

Katie, Year 7 student

“All Saints’ Academy has provided me and my peers the chance to experience a real working environment and the commitment to giving students the best opportunities to succeed and exceed their potential is at the heart of All Saints’ Academy and its ethos.”

Safeguarding and Pastoral Team

At All Saints' Academy, we promote positive mental health, wellbeing and safeguarding for our whole Academy community (students, staff, parents, carers). We recognise how important mental health and emotional wellbeing is to our lives in the same way as physical health and we believe that students' mental health is a crucial factor in their overall wellbeing, affecting their learning and achievement.

All young people go through ups and downs during their school career, and some face significant life events. We take a whole Academy approach to promoting positive mental health which aims to help students become more resilient, happy and successful by preventing problems before they arise and offering support where it is needed. Safeguarding is a crucial part of our LIFE programme, and we consider what is in the best interest of the young person at all times.

We have a well-qualified dedicated pastoral team to support our families and students through secondary education at All Saints' Academy.

All Saints' Academy has a chaplaincy team appointed by the Anglican and Catholic Dioceses, as well as arranging opportunities for prayer, worship and a range of spiritual events, the Chaplaincy team are available to all students in a caring and supportive way.

We are here to help if you have any concerns or worries.

The Academy's Safeguarding Team can be reached via safeguarding@asachelt.org
