A message from our Principal

All Saints' has been recognised as a place of high achievement and progress where all children are included.

This is an exciting time in young people's lives. Moving to secondary school with the range of opportunities that All Saints' offers is a moment to consider all that can be achieved in the years ahead.

Our vision is that our students achieve their God-given potential. I take that challenge seriously because of the tremendous potential in each of our new students.

In the years to come your children will learn volumes, achieve great exam outcomes, perform in shows, compete (and hopefully win) across many sports, lead other students, serve in the community and eventually develop into adults that will have a huge impact in every area of their lives.

Our success will be measured in the impact that your children have in the years beyond their time at All Saints', living as Jesus said, "Life in all of its fullness". I look forward to working alongside you to ensure the best outcomes for your children.

We look forward to welcoming you to the Academy in the coming months as we prepare for the start of the new year.

Our Vision and Values

Where every member of our extended family realises their God-given potential,
inspired
by John 10:10. Jesus said, "I have come so you may have life in all its fullness."

All Saints' Academy actively promotes Christian values in all our activities. We concentrate on the values of Respect, Love, Service, Reconciliation, Justice and Peace, which we want to see grow and develop in the lives of all our students. We start the Academy day every morning by saying our Academy prayer together in tutor groups during Meet, Greet and Pray.

Dear Lord,
Teach us how to **respect** others,
And to **love** and **serve** one
another in all that we do and say.
And when we get it wrong, give
us the strength to get it right and
be **reconciled**.
Lead us to **justice** through your
words of wisdom and guide us
to everlasting **peace**.

Amen

What our students say about us:

"I've made a load of new friends and got to know the people I already knew a lot better."

Ruby, Year 7 student

"Teachers make us feel welcome, safe, and protected. They make lessons fun and adapt them so we can all learn."

Katie, Year 7 student

"All Saints' Academy has provided me and my peers the chance to experience a real working environment and the commitment to giving students the best opportunities to succeed and exceed their potential is at the heart of All Saints' Academy and its ethos."

Welcome from the Transition Team

As the Transition Team, we are the link between All Saints' Academy and the primary schools around our local community. This allows us to support you in the next stage of your educational journey. We are eagerly waiting to make your transition to secondary school smooth and enjoyable.

We are really looking forward to meeting you all in person. Alongside our team of tutors, the Academy will not only lead your academic progress but will also support your pastoral care to ensure that you grow as an independent and well-rounded learner.

There is a real sense of community and unity here and you will be welcomed with open arms when you join us in September.

This is just the start of your All Saints' journey and it's going to be so much fun!

Welcome from the Progress Leader

Welcome to Year 7, it is a pleasure to be your Progress Leader and I look forward to continuing to guide you through your secondary school journey. I have seen and heard good things about the year group as you have completed your years at primary school. As we make the transition into a new chapter, we will face many new challenges together.

This year we will build a resilient and positive approach to your studies. We will be working towards 100% attendance, every term, to ensure you maximise your learning journey and make the most of every opportunity. There will be many experiences for you to access at All Saints' Academy and I want you to be able to make the most of your time here.

We will be looking to establish and maintain a positive academic and studious approach that demonstrates excellent Ready to Learn. We will focus on the creation and refining of good study habits. These are the fundamentals to future success.

As a Year 7 student you will:

- Be fully equipped and Ready to Learn
- Be punctual
- Maintain a high standard of uniform
- Complete homework on time.
- Model outstanding learning behaviours

These expectations are there to ensure all students have the opportunity to fulfil their God-given potential. Alongside the pastoral team we will strive to ensure that you continue to make excellent progress and grow into independent, self-motivated and well-rounded individuals.

I look forward to supporting you on your Academy journey and look forward to an exciting year ahead.

Working together to improve attendance

School attendance is a key priority for us all here at All Saints' Academy. Creating good habits that support attendance is the responsibility of everyone involved with the Academy – our students themselves, parents, carers, Academy staff and trustees, the Local Authority and other partners.

For your child to achieve their full potential it is absolutely vital that they are in school every day unless a reason acceptable to the Academy is given and we are able to authorise the absence.

To help us all to focus on this we ask parents and carers to:

- Notify us of your child's absence before 8:15am on the first day and each following day that they are absent from school by calling the student absence line on 01242 711200.
- Ensure that your child arrives at the Academy by 8:30am every day.
- Contact the Academy at an early stage about any concerns you have about your child's attendance.
- Work with the Academy in resolving any issues that may be having an impact on your child's attendance.
- Try to keep health appointments out of school hours where possible. Where this is not possible, your child should only be out of school for the minimum amount of time necessary for the appointment.
- Recognise that the Academy will be concerned when any child misses time in school and work with us to avoid this.

Parents and carers can expect that the Academy will:

- Monitor all students' attendance and punctuality closely.
- Visit your home if your child is absent and unaccounted for or if there are concerns about your child's welfare or attendance.
- Contact you each day your child is absent by telephone call, text, email and/or home visit.
- Fulfil our safeguarding duty where a child is missing from school and is unaccounted for or there are concerns for their welfare – this may involve referrals to other agencies such as the local authority Education Inclusion Support Service, Children's Services and/or the police.
- Reward good and improved attendance.
- Meet regularly with parents and carers of students whose attendance is a concern.
- Work with the Local Authority to pursue legal prosecution for non-attendance where relevant criteria has been met.

The relationship between attendance and achievement is inextricably linked and encouraging excellent attendance is one of the most powerful ways you can prepare your child for success both in school and in life. When you make full attendance a priority, you help your child get a thorough education, better grades, develop healthy life habits, and have a better chance of achieving their full potential.

Students who attend school regularly also feel more connected to their community, develop important social skills and friendships, and are significantly more likely to leave school with good qualifications, setting them up for a strong future.

You can view your child's current attendance record on the EduLink App to help reward and encourage good attendance from the home.

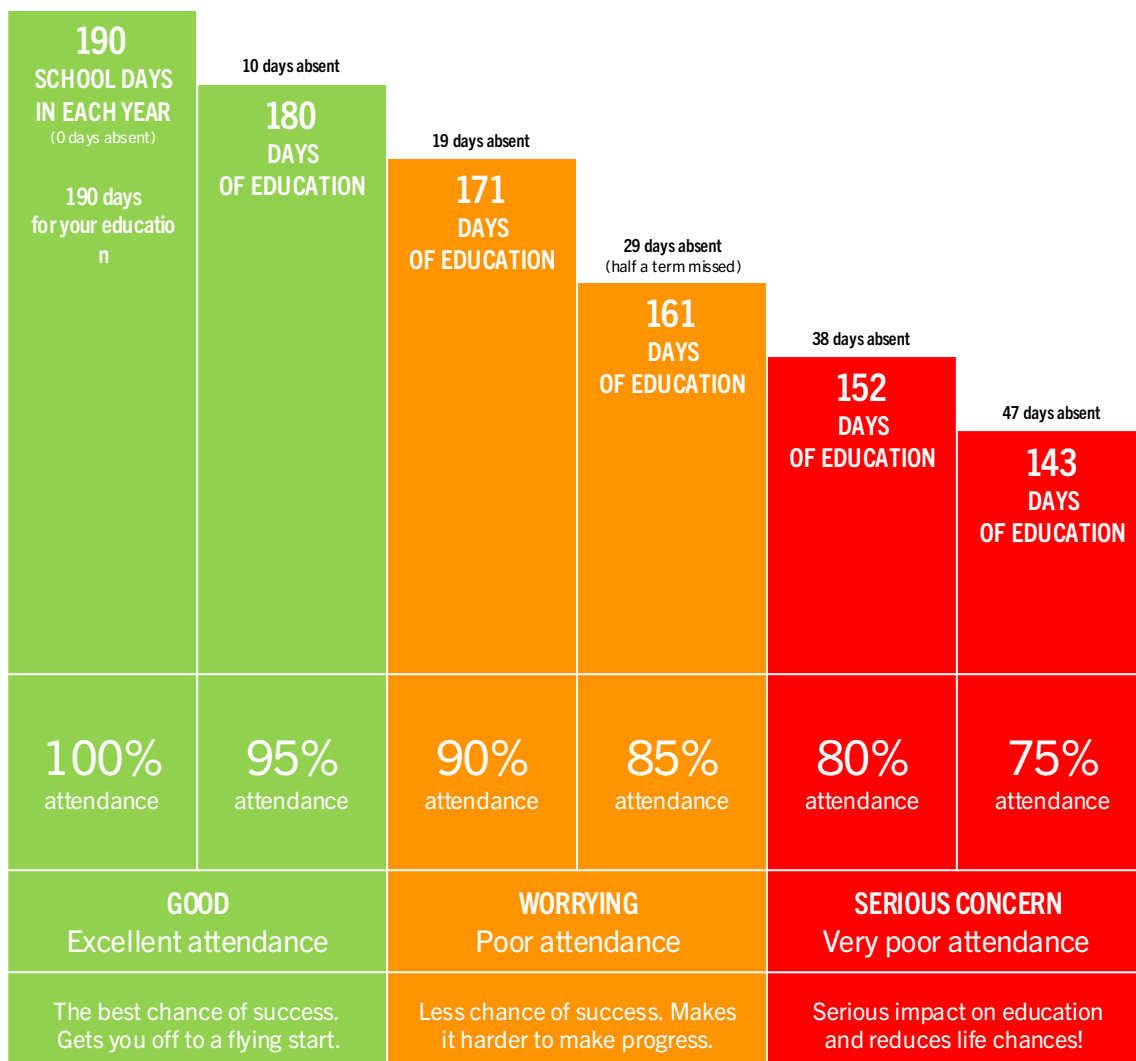

EVERY SCHOOL DAY COUNTS

Don't miss out on the education you deserve!

There are 175 non-school days during the year to spend on family time, visits, shopping, holidays, household jobs and other appointments.

Days off school add up to lost learning.

Safeguarding and Pastoral Team

At All Saints' Academy, we promote positive mental health, wellbeing and safeguarding for our whole Academy community (students, staff, parents, carers). We recognise how important mental health and emotional wellbeing is to our lives in the same way as physical health and we believe that students' mental health is a crucial factor in their overall wellbeing, affecting their learning and achievement.

All young people go through ups and downs during their school career, and some face significant life events. We take a whole Academy approach to promoting positive mental health which aims to help students become more resilient, happy and successful by preventing problems before they arise and offering support where it is needed. Safeguarding is a crucial part of our LIFE programme, and we consider what is in the best interest of the young person at all times.

We have a well-qualified dedicated pastoral team to support our families and students through secondary education at All Saints' Academy.

All Saints' Academy has a chaplaincy team appointed by the Anglican and Catholic Dioceses. As well as arranging opportunities for prayer, worship and a range of spiritual events, the Chaplaincy team are available to all students in a caring and supportive way. We are here to help if you have any concerns or worries.

In a clear pencil case:

- Pens
- Pencils
- Ruler
- Eraser
- Pencil sharpener
- A reading book
- Calculator

Personal belongings

Valuable items should not be brought into the Academy with you. The Academy cannot be held responsible if they get lost or stolen.

Mobile Phones

Mobile phones and smart watches are a distraction to learning and a negative influence upon mental health and well-being. Due to this, we feel strongly as an Academy community that the use of electronic devices and mobile phones (other than Academy devices to support learning) should be locked away during the school day. Research tells us that schools that have prohibited the use of mobile phones are seeing a significant rise in outcomes, improved mental health and social interaction skills. This for us, gives a strong rationale for prohibiting their use.

- Students are not allowed to use mobile phones throughout the Academy day and if they are seen they will be confiscated until the end of the day.
- An after school detention will be issued.
- Mobile phones are switched off at 8:30 am and given to your child's form tutor during MGP. These will be locked in a secure lock box. They are returned to your child during afternoon registration.
- If you need to contact your child during the day, please telephone Reception and we will ensure a message gets to them.
- If a phone gets confiscated twice, parents will be asked to collect it.

Ready To Learn and Behaviour

- If a student arrives late to the Academy, their parents will receive an email or text message. They will complete a break or lunch detention.
- If a student is given a detention for unacceptable behaviour in a lesson, or elsewhere, their parents and form tutor will receive an email.
- Students will not be allowed to leave a lesson to fill a drinks bottle. They should do this during break times.
- Staff will be closely monitoring students who repeatedly ask to leave lessons to go to the toilet. There will be close monitoring of lost learning time for students who are not in lessons learning.

Sanctions Framework – some examples

10 min break time (10:00 and 11:00 am) Reset Room	<ul style="list-style-type: none">* Late to the Academy (parents receive an Edulink message)* Late to lesson periods 1 or 2* Learning Duty periods 1 or 2 (remaining 30 min served after school)
10 min lunch time (12:20 and 13:20 am) Reset Room	<ul style="list-style-type: none">* Late to the Academy (parents receive an Edulink message)* Late to lesson periods 2 – 4* Learning Duty periods 2 - 4 (remaining 30 min served after school)* Repeatedly out of bounds
60 min after school detention Every day from 3:15 pm CG01 *30 min if break/lunch LD detention served AND if silent reading	<ul style="list-style-type: none">* Learning Duty x1/day (parents receive an Edulink message)* Failure to attend late detention* Unpermitted use of mobile phone/ earphones will result in confiscation and a detention* Rudeness/defiance to staff

Reading at the Academy

Reading is an essential skill that we are prioritising for all years at the Academy with Years 7-11 starting daily with designated time for reading. Each year group will have 4 sessions

Years 7-8

Students in these years will have 2 sessions reading a shared class book. The first will be tutor-led and the second where students read aloud and hone their reading skills. The third session of the week will be extra time for students to read their Accelerated Reader book. The week's final session will allow students to read for pleasure, bringing in a book, newspaper or magazine of their choice.

Students who are reading below age-related expectations will be given targeted reading interventions during the reading sessions to help close the gap.

Years 9-10

Students in these years will have 2 sessions reading a class book. One will be tutor-led and one that encourages students to read aloud and hone their reading skills. The third session will be extra time for them to read a book in small groups or independently. The final session of the week will give students the opportunity to read for pleasure, bringing in a book, newspaper or magazine of their choice.

Year 11

Year 11 will be reading to revise and guided through revision reading by their tutors focusing on a different subject each week. This will not only help improve reading skills, but allow students to consolidate key knowledge too.

Supporting your Child's Reading

Positivity

The most useful way for you to support your child with their reading, whatever stage they are at, is by being positive about reading. This could be by modeling reading by showing them you reading yourself or reading something, such as a news article, together as a family. Giving books as presents or rewards is another way of reinforcing a positive message about reading.

Encourage Reading

Daily reading can have many benefits for children and adults alike so by encouraging your child to read for 10-20 daily you are not only helping them to improve their reading skills but also to learn new vocabulary and increase their empathy and imaginative skills. Little and often is a good approach to take when reading so starting by encouraging your child, whatever their age, to read a couple of nights a week before bed could have a real impact.

Join the library

At All Saints' Academy we have a good library with a range of different books at all reading levels but joining the local library will give your child even more choice when it comes to selecting books to read. Libraries are free to join and have a wide selection of non-fiction, graphic novels, and new releases so there is something for everyone to enjoy. Libraries will often run events linked to reading which your child might be interested in taking part in or offer quiet study spaces that older children might like to use to revise.

Audiobooks and subtitles

Audiobooks are an effective way for children to get engaged with reading and the power of stories. Listening to audiobooks with your children is a less threatening way for some children to engage with reading and are a really useful revision tool for older students. Having copies of the text to follow along with whilst listening helps with comprehension and vocabulary. Whilst watching TV, you can also encourage reading by having the subtitles on; maybe try watching a film in a different language as a family using the subtitles as a novelty.

Timetables

Read across the timetable to see what lessons take place on a particular day. The timetable shows the subject, the room where the lesson takes place and the name of the teacher.

Understanding room numbers

The first letter tells you which wing the classroom is in.

B = Bredon, M = Malvern, C = Cleeve

The next letter/number tells you the floor. G = Ground, 1 = first, 2 = second

The final two numbers tell you which classroom, from 01 to 07.

Restaurant

Loaves and Fishes is our Academy restaurant, located centrally within the Academy.

A range of hot and cold snacks are available to purchase at break time and lunchtime. At lunchtime, students can either choose the meal of the day or from a range of sandwiches, rolls, and other hot and cold snacks. A range of healthy drink options are available.

Alternatively, you may wish for your child to bring a packed lunch. Free School Meals

- Free school meals provision carries over from the primary school and you will not need to reapply
- A daily allowance be credited to your child's account
- Any left-over money is not carried over to the following day

If you need to apply for free school meals, please contact:

'Ofsted judges All Saints' Academy to be a very inclusive school'

We continue to build on our established reputation and success for educational excellence to deliver a learning curriculum that is enriched through collaboration with other schools, colleges, universities, as well as links with business and industry so that all our students and families of our community can thrive and achieve their aspirations in higher education and their future careers.

- Leaders and directors have a passion and commitment for the community they serve
- Staff hold fast to the school's values and ethos which unite them in their drive to improve standards
- The Principal provides outstanding leadership, which has led to rapid progress being made
- There is a strong culture of respect and tolerance
- Pupils are polite and courteous

'All Saints' Academy is a real source of hope for its students and for the local community'

The vision of 'life in all its fullness' drives the academy forward in its particular service to the disadvantaged and is aspirational for both students and adults.

Students in all years talk movingly about how the academy is giving them positive life choices and how their expectations of themselves are constantly being raised.

- Inspirational and relentless leadership produces creative partnerships with a wide range of organisations. These partnerships lead to students thriving in many areas of their lives.
- The curriculum is broad and balanced, and staff are effective at challenging and supporting students of all abilities.
- Students consider their classrooms to be safe spaces where all views are respected.
- Student interest in the challenging GCSE and A-level topics is high and the staff choose stimulating learning resources.
- The term 'family' is used by many to emphasise the intention and the practices of the academy.
